

04 CAYMAN by Monaco

04 CAYMAN

CELEBRATE EVERY MILESTONE.

IT'S TIME FOR A BIG STEP UP.

Welcome to the luxurious world of diesel motorcoach living — the 2004 Cayman. This year, the coach is available in an amazing new quad slide-out floorplan. And other interior highlights include the 24" Sony® flat screen Vega stereo color TV, as well as an optional VCR and DVD player that can be wired to either the living room or bedroom TV location. In the cockpit, you'll enjoy the comfort of soft touch vinyl seats with optional six-way power pilot seat. The living area and bedroom feature new nylon carpeting with Scotchgard™ stain release pad, and optional Wilsonart® plank flooring is available in the entryway.

① This supremely relaxing soft touch vinyl **SWIVEL RECLINER** is offered as an option in place of the barrel chair. It's available on all floorplans except the 34SKD.

② At the wheel, you'll have a remarkable array of **EASY-TO-USE CONTROLS**, including a rear vision system with audio and a push button shift pad on the 2000 MH transmission. The driver's side console features an ICC light switch and a new map pocket. And you have a number of convenient options, including power sunvisors, pull-down sun shades and a Sirius satellite radio system (requires subscription).

THE CAYMAN KITCHEN.

There's a stylish pizzazz that greets you in the kitchen, thanks to such striking details as the beautiful Corian® countertop with backsplash and edge accent and luxurious Wilsonart® plank flooring. The under-mounted stainless steel sink features a single lever chrome faucet and a separate faucet for filtered water, and the recessed cooktop has a bi-fold range with Corian® covers. Some excellent appliance options include a versatile convection microwave and a three-burner range with oven. And you'll love the roomy cabinets with raised panel hardwood doors and brass hardware.

① | *The Cayman **KITCHEN**, 34PDD, in Rosewood with Regal Cherry woodwork.*

② | The large **DOUBLE-DOOR REFRIGERATOR** adds to the contemporary styling with black ABS inserts or optional hardwood raised panel doors. A refrigerator with ice maker is optional, as is a four-door model (not available on the 32PBD).

③ | The **DINING AREA** features an arched back wood booth dinette with side-sliding table top and under seat storage. Or, if you prefer, you have the option of a freestanding dinette with wall cabinets, two freestanding chairs and two folding chairs (not available on the 34SKD).

YOUR SPACE FOR PEACE AND QUIET.

Begin and end each day in the cozy warmth of the coach's private quarters. You'll enjoy the elegant styling of new crown molding and wood slide-out fascia with fabric detail. The oversized rear wardrobe features a deluxe mirror and brass finished door frame, and bullet lights are located above the bed with his/her switches. In the bathroom, treat yourself to the style and convenience of a Corian® countertop with integrated sink and a one-piece fiberglass shower with decorative glass door and brass frame.

① In the bedroom, there's plenty of room for clothes storage, extra bedding, and other belongings. The 34PDD features a large **DRESSER WITH DRAWERS** at the foot of the queen size bed and roomy overheads all around. An optional 20" flat screen TV is also available.

② Our optional **FABRIC HIDE-A-BED** is a cozy sofa by day and a roomy double bed by night, helping you to increase the versatility of your coach's floorplan.

IT'S ALL RIDING ON A ROADMASTER.

Want to know the secret to the best ride and handling in the industry? A custom-built chassis by Roadmaster. You see, Roadmaster chassis are designed to the exacting specifications of each and every model of our diesel coaches. That means you'll never find this year's coach on last year's chassis. And you'll always know you're riding on a chassis that's designed exclusively for a luxury diesel motorhome. So take a moment to learn about a few of the Roadmaster's impressive features. Because only this kind of highly synchronized teamwork can give you this level of performance.

ROADMASTER R4R RAIL CHASSIS

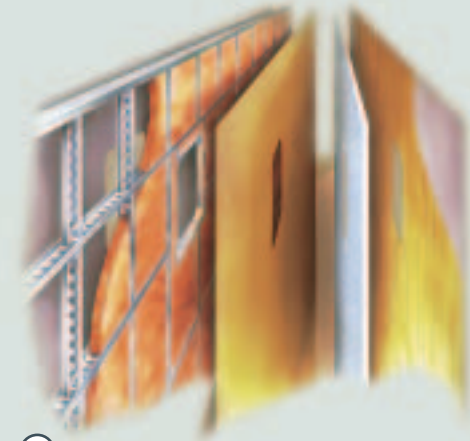

- Cushion Air Suspension System with four air bags and gas shock absorbers for superb ride and handling.
- An active suspension control system with ride height sensors for superior front-to-rear balance and reduced sway.
- V-G Turbo exhaust braking system for smooth, even braking on the steepest grades.
- Stacked aluminum charged-air cooler, aluminum radiator, and external aluminum transmission cooler for optimum heat transfer and cooling.
- Heavy-duty steel undercarriage and firewall for unsurpassed strength and durability.
- Four wheel anti-lock disc brakes (ABS) help you stay in control.
- Steering unit with hydraulic assist is designed to allow a tight 50-degree turning radius.
- Unique rear axle tilt perfectly aligns the drive train to minimize stress and reduce noise.
- Manual hydraulic leveling system.

EXTERIOR HIGHLIGHTS.

Each Monaco coach is designed to turn heads wherever you go, with sleek, contemporary styling and a distinctive appearance that reflects the quality you'll find throughout the coach.

① Our streamlined **BAGGAGE DOORS** include secure, easy-to-open integrated single-handle latches. And you'll appreciate the large, one-piece polyethylene pass-through storage compartments.

② The optional chrome power **HEATED REMOTE EXTERIOR MIRRORS** provide optimum safety and convenience and enhance the coach's exterior appearance.

③ The **WET BAY** is easy to access and gives you the convenience of a hot and cold water shower and new sewer hose storage.

④ A new exterior **GAS LINE HOOK-UP** is perfect for LP accessories like a gas barbecue grill.

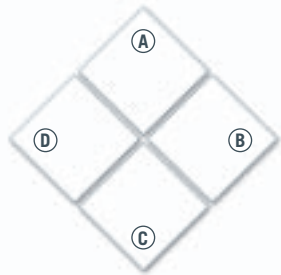

You may upgrade the exterior of your coach with optional smooth gel coat fiberglass sidewalls. An optional full-length mud flap and optional roof-mounted air horns also make excellent choices.

EXTERIOR COLORS AND FABRICS

The 2004 Cayman. It's the legendary Monaco quality and reliability you've been seeking. With more excitement than ever before, including a Cummins® 300 HP engine, a flatscreen TV, plank flooring and such optional features as a home theater system with DVD player and the Sirius satellite radio system. In short, this is the coach to take you to the next step up.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated. Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Monaco Coach provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Monaco Coach dealer for unit availability and further information. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed load exceeds 1,000 lbs. The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Also, as a new Monaco owner, you're entitled to our comprehensive **OWNER ADVANTAGE PROGRAM**. With this impressive roadside assistance package, Master Certified RVDA Technicians and ASE Certified Technicians are on call 24 hours a day to handle any problems you may experience with your coach. And that's not all. Members of our Owner Advantage Program also receive the following benefits: emergency roadside service, fuel delivery, tire change, battery jump start, lockout service, trip routing and maps, and much more.

You can access **MONACOCOACH.COM** night or day to take advantage of its many features. The site includes factory tours, a dealer locator function and plenty of information on Monaco products and scheduled club events. Plus, through the site, you may contact us directly at any time.

THE FAMILY ADVANTAGE.

When you purchase a coach from Monaco, you become part of an industry-leading family of companies called Monaco Coach Corporation. What does that mean for you? It means you have access to a wider array of benefits. To begin with, your coach is built by a level of expertise that could only be achieved through the teamwork and combined experience of all our companies. Like, for example, such exclusive innovations as the Roadmaster chassis — designed specifically for each individual model of our diesel coaches.

You also get the benefit of our White Glove factory inspection program, for a higher level of quality assurance and added peace of mind. And your dealer will be happy to tell you about our other innovative programs, including our Extended Care service agreements. Of course, once you're on the road, you'll have access to our nationwide network of more than 350 service facilities, meaning wherever you travel, you're never far from a friend. Ready to roll? In a 2004 Monaco, the strength of our entire family is behind you every mile of the way.
