Windsor

by Monaco

Home is wherever you are

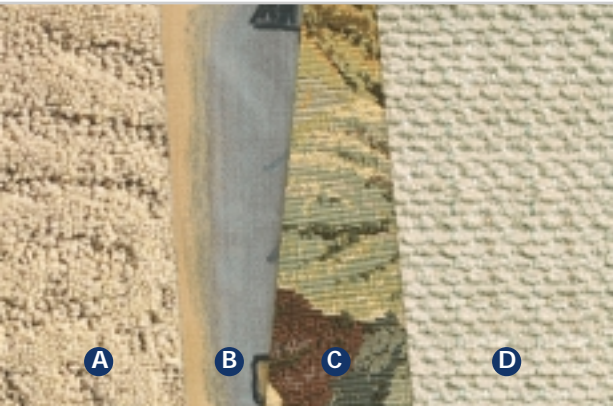

A back road to nowhere in particular, a bustling city street leading to the water's edge, or that long winding road through orchards and fields of grain are all home. All offering a new adventure while providing the comforts of a familiar bed, your favorite chair. You're home, wherever you are.

Choose

what moves you

It's time to select some of your own details. It's time to be picky. Our designers have carefully appointed the Windsor models to provide an array of styles, colors and fabrics. Now it's up to you. Select from the options before you and hit the road in style today. Consider the possibilities and choose your details.

Note: While the color of the motorhome's exterior and the interior fabrics shown in this sales brochure are fair and reasonable depictions, they may not be an exact match of the actual colors. Due to product improvements, changes during the model year and/or transcription errors that may occur, information presented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer prior to submitting your order.

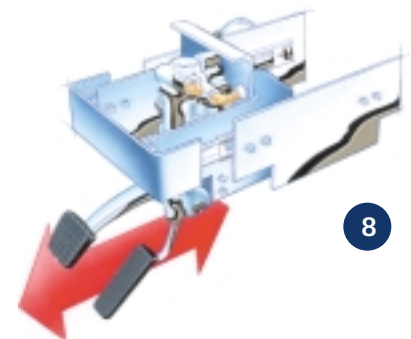

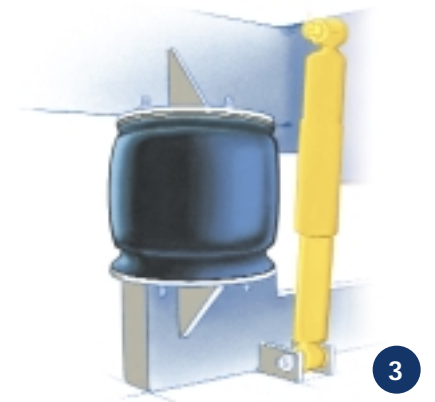

Put your hands on the metal

feel the Monaco quality construction

Roadmaster RM8H features:

1. Cummins® turbo diesel engine gives you power, efficiency and low maintenance.
2. 10,000 lb. hitch receiver lends powerful towing capacity.
3. Cushion air glide suspension system positions eight shocks and eight airbags outboard with auto-leveling for greater stability and a smoother ride.
4. Automatic Traction Control (ATC) takes over in slick conditions and applies torque to the wheels to reduce slippage and heighten control.
5. Premium Goodyear tires ensure a safe and quiet ride.
6. Propane tank, inverter, water heater and batteries are accessible for easy use and service.
7. Air brake system assures stopping power on steep grades. Anti-lock brakes help you stay in control.
8. Position of brake and accelerator pedals are easily adjustable to individual preferences.
9. Vinyl-upholstered six-way power seats with lumbar control help find the perfect position.
10. Semi-monocoque design, with its bridge-like superstructure, distributes stress evenly throughout the entire chassis.
11. Seamless one-piece molded crowned fiberglass roof covers steel framing, wood rafters, paneling and vapor barriers.
12. Sidewalls and roof with tubular steel framing offer superior strength.

Specifications

BODY CONSTRUCTION
