

MONARCH[®]

 | 08

DRIVING YOUR DREAM.

MONARCH®

THIS MONARCH RULES.

You don't have to be a king to own the road. Not when you're driving the new 2008 Monarch. This value-priced beauty gives you the royal treatment — with stylish new end caps, full-body paint, your choice of three full-wall slide floorplans, and loads of posh amenities like a 26" LCD TV, a second TV in the bedroom, and new profile raised panel cabinetry. Say, isn't it time you took the throne?

KITCHEN. When it's mealtime, this well-designed kitchen is ready to work. It features a convection microwave, three-burner cooktop, double-door refrigerator, and handy countertop extension on select models.

BEDROOM. Fall into the big queen bed, flip on the 20" color TV (now standard), and you're ready to relax. Other niceties include blackout day/night shades, nightstands, and plenty of clothes storage.

WHAT'S NEW FOR '08.

- Redesigned fiberglass front and rear caps
- Redesigned automotive dash
- 26" LCD TV in front cockpit
- Solid surface kitchen countertops
- Queen bed with nightstand
- New profile raised panel cabinet doors
- China toilet with sprayer
- Now standard: 20" TV in bedroom, full-body paint with vinyl graphics

QUALITY. INNOVATION. HAPPY TRAVELERS. IT ALL SAYS MONACO.

INTERIOR

Wherever you travel across America, it's easy to spot the Monaco owners. They're the ones with the smug, happy grins on their faces. And who could blame them? When you own a Monaco, you own the best. The best in quality, performance, safety, technology and comfort. It's all here. And it's all yours for the taking. Come on, freedom lovers. Make your move to Monaco quality. After all, you already know how to grin.

A DASH OF DISTINCTION.

 PANAVIEW™

1-PIECE WINDSHIELD

MONARCH® COCKPIT/EXTERIOR

Want to add a little distinction to your life? Enter the 2008 Monarch. It's the well-built, affordably priced Monaco coach you've been waiting for. Now with plush leatherette pilot seats. Your choice of Ford or Workhorse chassis. Anti-lock brakes for added safety. And of course, the ergonomically designed dash before you. Care for a little more distinction? You can always opt for Sirius satellite radio and a GPS navigation system.

LIVING AREA. Won't you have a seat? The Monarch offers comfortable furnishings everywhere you look. Note the leatherette swivel rocker (33SFS and 34SBD), easy bed sofa, and leatherette pilot recliner seats — all newly restyled for 2008.

SIDE-SWING BAGGAGE DOORS. For easier access to your belongings, our baggage doors open from the side, not the top. The Monarch also features pass-through storage and one-piece polyethylene boxes for easy washdowns.

NO SEAMS. ADDED SAFETY. With our exclusive Panaview™ 1-Piece Windshield, you get a clear view of the world ahead. There's no annoying black rubber seam running down the middle of the windshield. It's the largest unobstructed view in the industry.

SMARTSTRUCTURE II

SmartStructure II adapts the principles of our diesel chassis technology for use with a gas chassis. While other motorhomes use outriggers to hang the walls and storage compartments, our exclusive truss system is

integrated with the chassis rails to provide a solid platform. The floor and storage bays are all one piece, and the truss system works with the chassis rails to channel weight toward the center of the motorhome. Greater strength. Better weight distribution. A solid foundation. That's SmartStructure II.

SLIDE-OUT CONSTRUCTION:

When you purchase a Monaco coach, you can be sure the slide-out boxes are some of the strongest and most reliable you'll find anywhere. They feature our exclusive multi-layer construction to give you maximum insulation and to reduce the chance of warping, twisting or shifting.

THE STRENGTH IS IN THE CONSTRUCTION.

Thanks to our Alumaframe® Superstructure, your Monaco coach is built to take on anything the road can dish out. We revolutionized the industry by replacing outdated wood and tubular aluminum construction with our exclusive system of aluminum C-Channel

crossmembers. These run the full length of the coach, with double-welded intersections for superior strength. This makes your Monaco lighter and sturdier than other coaches and gives you reliability you can count on down the road.

Alumaframe®
(C-Channel)

VORTEC™ 8100 ENGINE:

This Workhorse chassis, 8.1L V-8 engine features 340 HP and 455 lbs./ft. torque. The Ford chassis comes standard with a 6.8L 3-valve V-10 engine with 362 HP and 457 lbs./ft. torque.

WARRANTIES

12 MONTH/24,000 MILE basic limited warranty

5 YEAR/50,000 MILE limited warranty on aluminum or steel frame structure of sidewall, roof, front and rear cap

Applies to certain models. See owner's manual for complete details.

9-LAYER ROOF CONSTRUCTION:
(top to bottom)

- One-piece peaked fiberglass roof
- Luaun backing
- Thick, tapered bead foam insulation
- Aluminum double I-beam superstructure filled with fiberglass insulation
- Vapor barrier
- Structure foam: thermal insulative barrier
- 1/2" bead foam insulation
- Foam padding for extra insulation
- Padded vinyl ceiling

5-LAYER SIDEWALL CONSTRUCTION:
(left to right)

- Smooth gel coat fiberglass
- Interlocking C-Channel filled with 1-1/2" fiberglass insulation bonded in place so it doesn't sag or leave spaces uninsulated
- Vapor barrier
- Bead foam adds comfort, saves energy and provides a thermal insulative barrier
- Interior paneling

4-LAYER FLOOR CONSTRUCTION:
(top to bottom)

- Structurwood™
- Blue foam insulation
- 1-1/2" aluminum tube
- Three-ply poly underbelly

¹Towing capacity is limited by GCWR; your vehicle's towing capacity is the difference between the GCWR and the actual vehicle weight, including all water, fuel, passengers and cargo. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed vehicle exceeds 1,000 lbs. Consult your owner's manual for further towing information.

²All tank capacities are estimated based upon calculations provided by the tank manufacturers and represent approximate capacities. The actual "usable capacity" may be greater or less than the estimated capacities based upon fabrication and installation of the tanks.

³Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated. Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Monaco Coach provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Monaco Coach dealer for unit availability and further information. The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This

includes the substitution of components of a different brand or trade name which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may show props or decorations that are not standard equipment on Monaco Coach models. Monaco Coach, the Monaco logo and its design, are registered trademarks. All other products and company names are trademarks and/or registered trademarks of their respective holders. While the color of the motorhome's exterior and the interior fabrics depicted in this sales brochure are fair and reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and variances caused by inserting the photographs

within the sales brochure. **Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer prior to submitting your order.** Component part and appliance manufacturers issue limited warranties covering those portions of the recreational vehicle not covered by the Limited Warranties issued by Monaco Coach Corporation. To learn which specific component parts and appliances are excluded from the Limited Warranties issued by Monaco Coach Corporation, please contact your selling dealership or Monaco Coach Corporation directly, or review the warranty packet inside the recreational vehicle.

BEING DIFFERENT MAKES ALL THE DIFFERENCE.

At Monaco, we always strive to be the best. And that means thinking outside the box. Giving you more of what you want in an RV. Like our exclusive Roadmaster chassis. Three factory-owned service centers. And programs like Monaco Financial Services and 24/7 roadside assistance. No other manufacturer can match Monaco's offerings. No one even comes close. Why not discover the difference for yourself? Go Monaco.

“No other manufacturer can match Monaco's offerings. No one even comes close.”
