

04 THE EXECUTIVE by Monaco

04 THE EXECUTIVE

THE POWER OF FREEDOM.

The Executive
MONACO

MONACO 04 THE STORY OF YOUR LIFE.
A SECOND CHANCE TO EXPERIENCE THE WORLD FOR THE FIRST TIME.

04 THE EXECUTIVE

You're looking at the 2004 edition of The Executive. With all the luxury and sophistication you'd expect. And 500 wild horses to take you pleasantly by surprise. Yes, The Executive's standard engine is a whopping 500 HP. Which means you've found one of the fastest ways to the top of any mountain. Even if you only want to hurry up and park. So welcome to our idea of a power trip. And may we make just one suggestion? Hold on tight.

HOW DO WE MEASURE LUXURY? BY THE NUMBER OF TIMES IT TAKES YOUR BREATH AWAY.

As you gaze at the many things that combine to create The Executive's distinctive elegance, allow us to point out just a few of the details. This year, the coach features the added spaciousness of a recessed ceiling in the living room and bedroom, providing an open, "lighter" look. Sculptured carpet and halogen lights add to the impeccable styling, as do new window valances and new hardwood fascia detailing on the slide-out rooms. You have your choice of both double, triple and quad slide-out floorplans, as well as the individual personalities of eight beautifully designed interior decors and six wood cabinet finishes. Beautiful Wilsonart® plank flooring is optional in the kitchen and bathroom, in a style to match the cabinets of your choice.

*The Executive **LIVING ROOM / KITCHEN**, shown with Canyon Ranch featuring fabrics by Ralph Lauren and Natural Cherry woodwork, 45PBT.*

YOU'RE AT THE HELM OF PURE LUXURY.

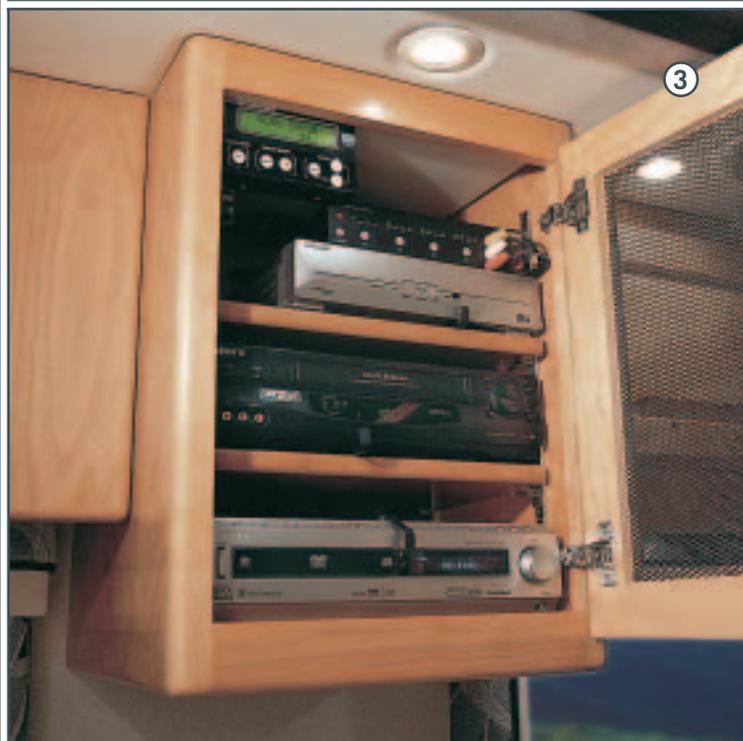

This year, when you take the wheel, you'll take hold of the luxury of our new burlwood lighted VIP Smartwheel®, putting many important functions right at your fingertips. You'll also have before you an impressive array of high-tech features. For instance, the new standard Aladdin video coach system allows you to monitor numerous vital functions, including engine coolant, oil and transmission fluid levels, as well as temperatures and tank capacities. The optional SEE-Vision system eliminates blind spots as you're driving and serves as a security system when you're parked. You also have the exciting option of an advanced GPS navigational system.

① The luxury and comfort of our **HEATED, LEATHER FACED COCKPIT SEATS** help eliminate driver fatigue. **ELECTRIC LUMBAR** support and **6-WAY POWER CONTROLS** allow you to continually find the perfect position throughout long road trips. The pilot's seat also features an electric sliding cushion, and the co-pilot's seat converts to a recliner thanks to its power footrest. There is an extra-wide co-pilot seat with power footrest, too, available as an option.

② Thanks to its sophisticated global positioning and wireless satellite technology, the optional **ONSTAR®** system brings you a world of information via live personal service — 24 hours a day, 365 days a year — all at the touch of a button. You can access driving directions, emergency roadside assistance, stock quotes, e-mail and much more.

HIGH TECH MEETS THE HIGH LIFE.

Looking toward the front of the coach, you'll see the new standard 30" LCD TV with universal remote system. Or, to take entertainment to the highest level, we offer the option of a 37" LCD or 42" plasma TV that drops from the ceiling at the touch of a button. The entertainment system also features the excellent performance of molded, recessed speakers that are located discreetly out of sight. And for added state-of-the-art convenience, the living room TV is wired right to the outlet in the optional wrap-around computer table, so you may use it as a large monitor for your laptop. Another new convenience this year is the automatic temperature start feature. It automatically turns on the coach's generator and air conditioning at a designated temperature, allowing you to keep the coach cool and comfortable at all times.

① *The Executive **LIVING ROOM / COCKPIT AREA**, shown with Kona Coast and Natural Maple woodwork, 45PBT.*

② This new **SLIDE-OUT FASCIA CABINET** blends the beauty of our newly styled hardwood slide-out fascia with the convenience of a solid surface top.

③ The Executive's impressive **HOME THEATER SYSTEM** houses the latest electronics, including a **DVD PLAYER, STEREO VCR, AM/FM RADIO, 8-DISC CD PLAYER** and an optional **IN-MOTION DIGITAL SATELLITE SYSTEM**. The coach also offers an optional **SIRIUS SATELLITE RADIO SYSTEM**—giving you 100 channels of commercial-free, digital-quality radio throughout the continental United States, for a monthly subscription fee.

THE EXECUTIVE KITCHEN.

This year, The Executive's splendid kitchen features fabulous new design details. To begin with, the solid surface countertop has a stylish new curved serpentine edge, offering you 20% more countertop space. The floor tiles include a new decorative touch, and the floor's edge is nicely rounded in both the kitchen and entryway. And we've added a 50/50 solid surface sink and a newly styled pull-out faucet with sprayer. Naturally, you'll also find top-of-the-line appliances, like our versatile spacesaver convection microwave, with multiple cooking functions that include broiling, roasting and baking. Plus, you're sure to love our new optional dishwasher, available on all floorplans, giving your coach the ultimate worksaving convenience. It's one less thing you'll miss while you're on the road! On the right page, The Executive's kitchen is shown with Natural Cherry woodwork.

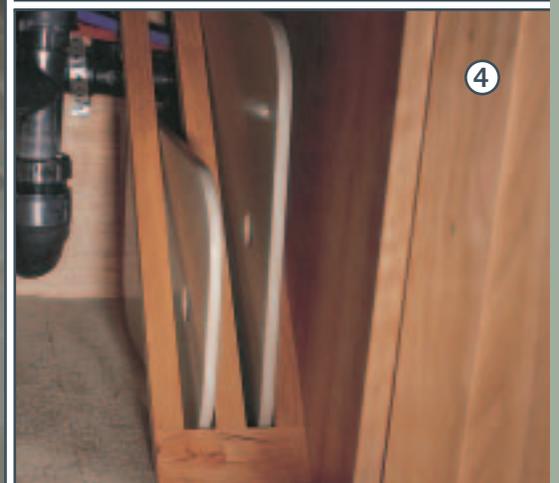

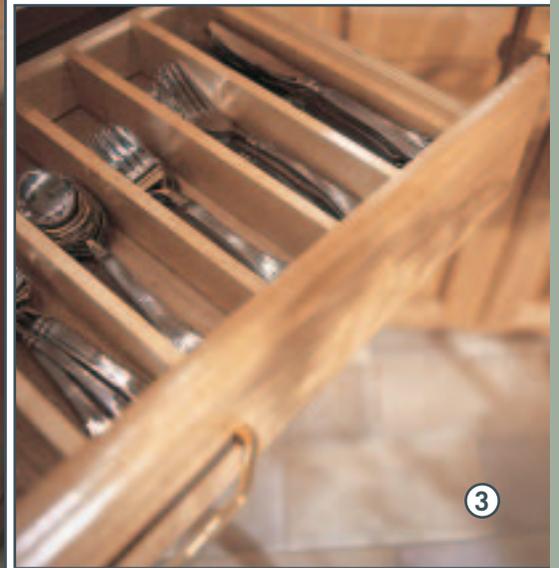

① The coach's dinette area is as elegant as it is functional. The remarkable **LEGLESS TABLE** offers the ultimate in versatility. It features a beautiful solid surface top, and it's adjustable in length as well as from side to side, to ensure the comfort of everyone seated. And to complete the luxury, there are two stylish chairs and two folding chairs. For added convenience, handy wall cabinets are tucked discreetly under the table. The dinette is shown here in Kona Coast with Natural Cherry woodwork.

② The optional **INSTA-HOT®** system gives you hot water on demand, conserving water and reducing waste. And the coach's central **WATER PURIFIER** gives you the peace of mind of having clean, clear fresh water throughout the coach.

③ This four-compartment **DRAWER ORGANIZER** keeps silverware and utensils in place and neatly sorted while you're on the road.

④ Another new feature is this **BUILT-IN STORAGE AREA** for the countertop covers.

YOUR ROOM IS READY.

In the rear of the coach the luxury will astound you — from the warmth of the cabinetry and richly patterned fabrics to the elegance of crown molding and decorative gem lighting. This year, we've even added his/her dimmer switches to the bedroom lights. The bedroom also features a new 20" flat screen TV (or an optional 22" LCD TV, shown) that's wired through the ceiling speakers for optimum performance. And for your convenience, we've added a new built-in hamper in the dresser.

① The Executive's bathroom is sleek and seamless, with a solid surface countertop and a solid surface shower with decorative shower tiles and a **SINGLE LEVER FAUCET**.

② Our **BEDROOM RADIO** is built into the cabinets and features a CD player, clock and remote control. There's also a bedroom monitor for the Aladdin video coach system, allowing you to view the exterior surrounding the coach from the system's cameras, for added security.

③ The Executive **BEDROOM**, shown with Wisteria and Natural Cherry woodwork.

④ *The Executive **BEDROOM**, shown with Canyon Ranch featuring fabrics by Ralph Lauren and Natural Cherry woodwork, 45PBT.*

4

THE PICTURE OF REFINEMENT.

As you can see here, The Executive's stylish exterior is every bit a reflection of its power and luxury. Some features to note include convenient docking lights and a power slide-out tray located in the front cap for easy access to the Onan® 10 kW Quiet Diesel generator. And your coach will keep its showroom looks for years to come, thanks to its deluxe full-body paint.

Find all the latest product news and updates online:
monacocoach.com

*The Executive offers a complete package of standard and optional awnings, including this optional **GIRARD® AUTOMATIC FRONT DOOR AWNING.***

The front cap houses a **POWER SLIDE-OUT TRAY** for easy access to the **ONAN® 10 KW QUIET DIESEL GENERATOR.**

① The Executive's impressive, **CHROME EXTERNAL MIRRORS** feature integrated turn signals and the concealed cameras for the optional SEE-Vision System.

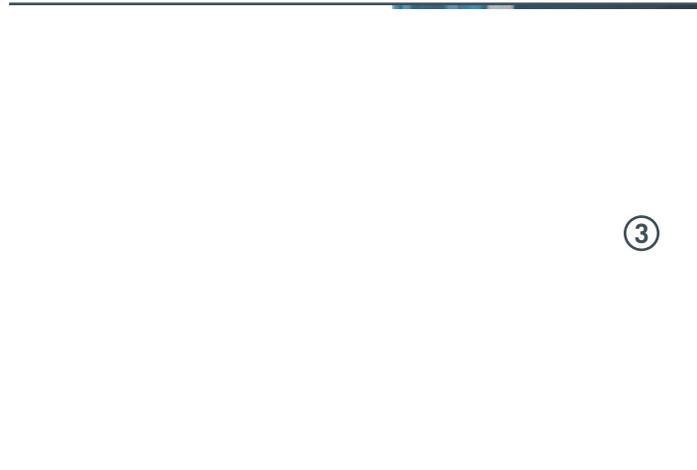

② You'll be free to take along everything you need to make your trips more fun, thanks to the coach's large **PASS-THROUGH STORAGE COMPARTMENTS**. In addition, you can make loading and unloading even easier with an **OPTIONAL SLIDE-OUT TRAY**, like the one shown here.

③ This year, we've relocated the **AIR INTAKE** to the top corner of the rear cap. This provides cooler, cleaner air to the engine, prolonging the life of the air filter and resulting in increased power for the coach.

④ You'll love having the convenience and security of the **KEYLESS REMOTE ENTRY SYSTEM** with pocket remote control.

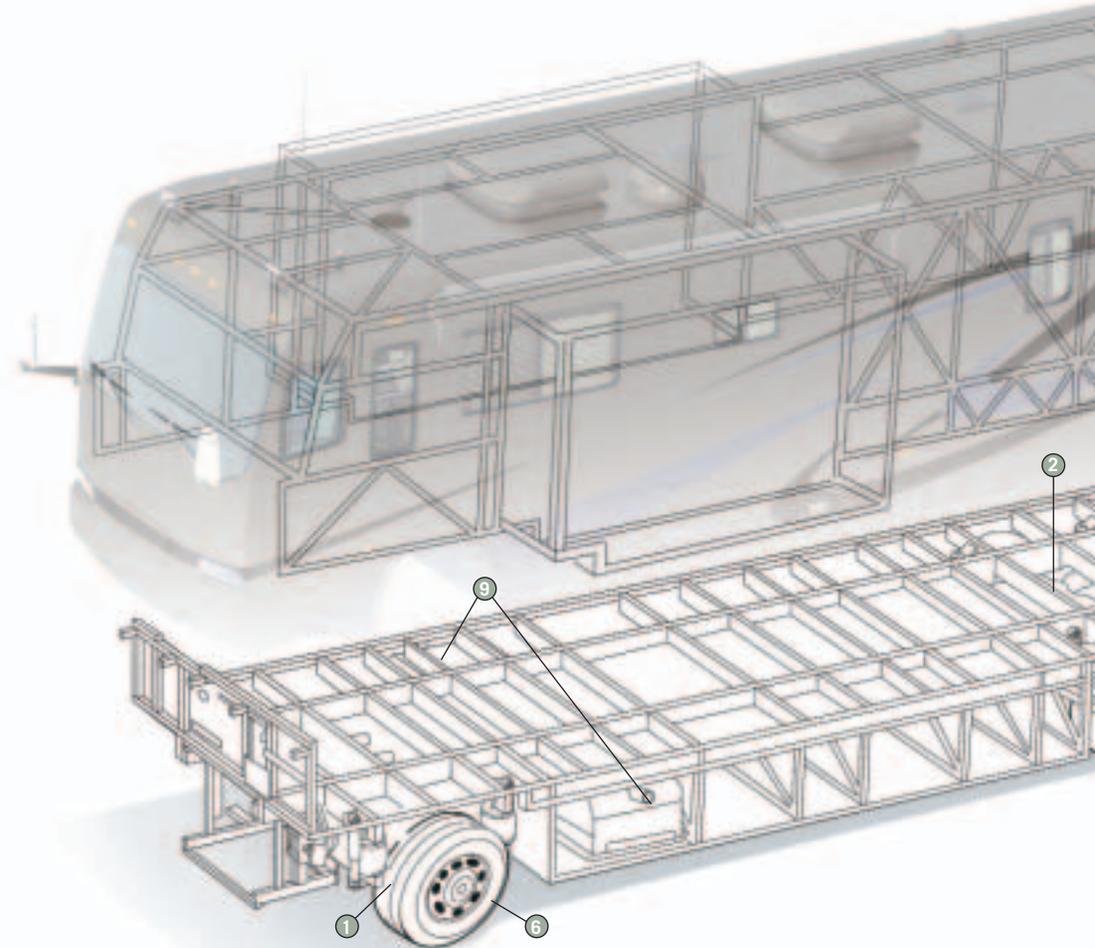

⑤ The **ELECTRICAL COMPARTMENT**, located behind the driver's area, now features a convenient **LED DISPLAY**. For easy maintenance, red lights indicate the fuses that are functioning, as well as any that might need to be replaced.

⑥ The **UTILITY BAY** features the convenience of a **HOT AND COLD WATER FAUCET**, as well as a paper towel holder and soap dispenser.

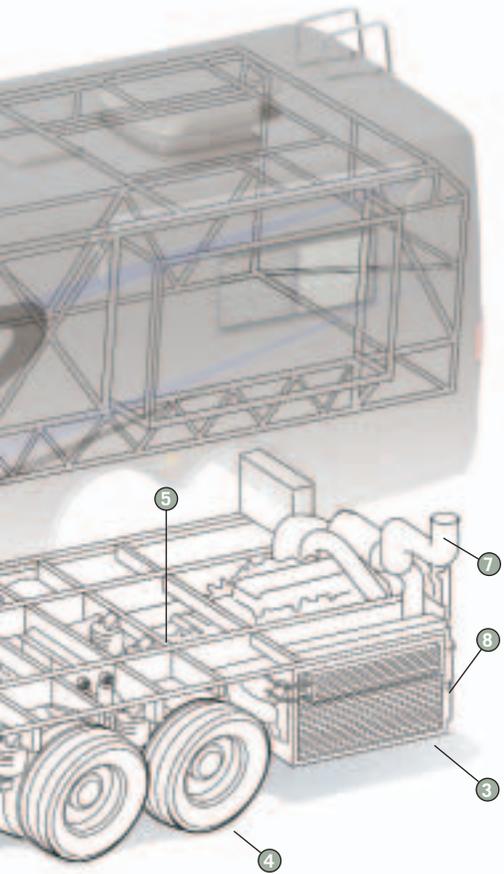

ONLY A ROADMASTER CAN DRIVE A MONACO.

Want to know the secret to the best ride and handling in the industry? A custom-built chassis by Roadmaster. You see, Roadmaster chassis are designed to the exacting specifications of each and every model of our diesel coaches. That means you'll never find this year's coach on last year's chassis. And you'll always know you're riding on a chassis that's designed exclusively for a luxury diesel motorhome. So take a moment to learn about a few of the Roadmaster's impressive features. Because only this kind of highly synchronized teamwork can give you this level of performance.

S-SERIES AT A GLANCE

- ① **ANTI-LOCK BRAKES (ABS)** with front disc brakes and rear drum brakes enhance stopping power, especially on steep grades.
- ② **AUTOMATIC TRACTION CONTROL (ATC)** takes over in slick conditions and applies torque to the wheels to reduce slippage and heighten control.
- ③ **INTEGRATED RADIATOR PACKAGE** includes the charge air cooler, radiator transmission cooler, hydraulic oil cooler and A/C cooler.
- ④ **AUTO-LIFT TAG AXLE** senses when you are in first gear or reversing and lifts the tag for a tighter turning radius. It drops it again once you hit second gear, for more stability down the road.
- ⑤ Perfectly aligned **ENGINE, TRANSMISSION** and **DIFFERENTIAL** optimize efficiency and minimize stress on the drive-train and reduce noise in the coach.

3-Year/36,000 Miles
Roadmaster Chassis Limited Warranty

⑥ Polished aluminum **DISC WHEELS** and **PREMIUM TIRES** ensure a safe and quiet ride.

⑦ **AIR INTAKE** positioned next to roof line provides the engine with cleaner, cooler air.

⑧ A **10,000 LB. HITCH RECEIVER** gives the coach powerful towing capacity.

⑨ **DUAL FUEL FILL** gives you the convenience of filling the fuel tank from either side of the coach.

The **ROADMASTER S-SERIES CHASSIS** offers a semi-monocoque design, with its bridgelike superstructure, that distributes stress evenly throughout the entire chassis. The sidewalls and roof, with tubular steel framing, offer superior strength. Additional S-Series features include:

Ⓐ This is powerful beyond all expectations. The **CUMMINS® ISM 500 ELECTRONIC ENGINE** with Allison® 4000 MH 6-Speed World Transmission and Electronic Shifter. To reduce vibration, there's also a **THREE-POINT ENGINE MOTOR MOUNT**.

Ⓑ **POWER STEERING** box allows for a 50° turning radius in both directions and returns the wheel to its center position for better maneuverability.

Ⓒ Fully welded **STEEL FIRE WALL**, roof and wall framing for added safety.

● Cushion **AIR GLIDE SUSPENSION**, with 10 outboard mounted air bags and 10 Bilstein shock absorbers, provides the smoothest ride in the industry.

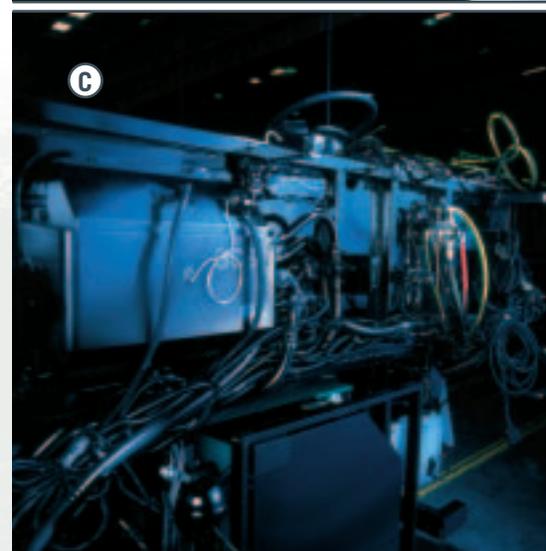

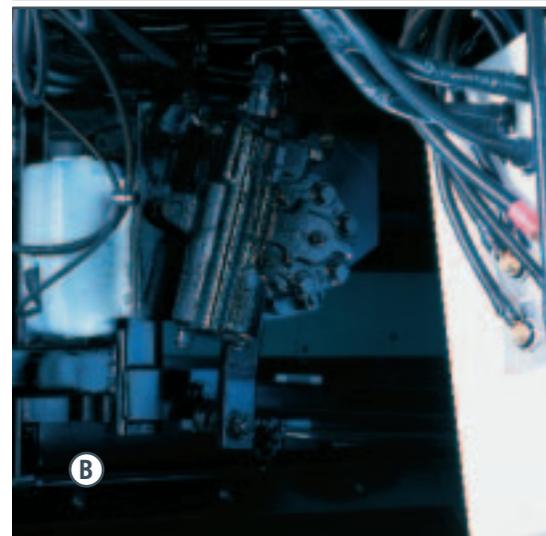

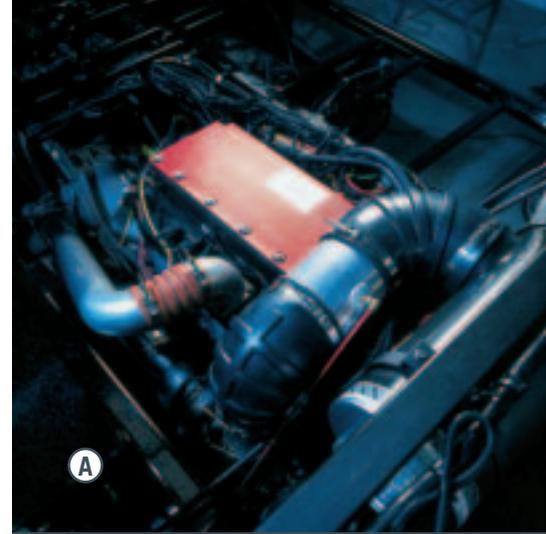

● **DUAL PING TANKS** increase air volume to the four front air springs, resulting in a smoother ride.

● Easy access for servicing engine, transmission and generator. **DROP-DOWN ENGINE COMPARTMENT** allows for access without removing rear cap.

● Pre-primed steel and rust inhibitor **UNDERCOAT**.

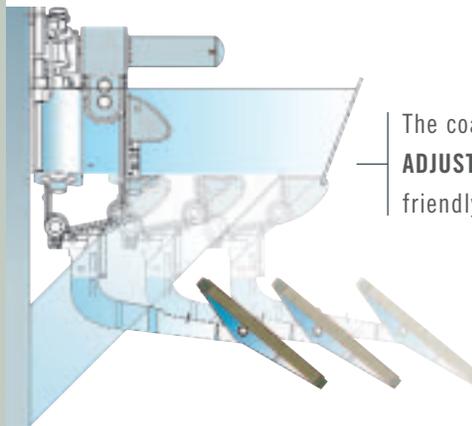

● An **AUTOMATIC AIR LEVELING SYSTEM** is standard. Options include a **HYDRAULIC LEVELING SYSTEM** and **DUAL LEVELING SYSTEMS (AIR/HYDRAULIC)**.

● Three **REMOTE AIR TANK DRAINS** allow for easy maintenance.

OUR RECIPE FOR COMFORT AND SAFETY.

It takes dozens of meticulous details to create a coach that's worthy of the name Monaco. And each of them is held up to the highest standards while being constantly re-evaluated — both for quality and for innovation. For us, that means setting the bar higher and higher with every year. And for you, it means your Monaco coach will always be a step ahead of the rest. If you'd like to learn more, a dealer near you will be happy to show you firsthand the details that add up to the Monaco difference. Or, visit our website at www.monacocoach.com.

The coach easily accommodates drivers of all heights, thanks to our **ADJUSTABLE BRAKE AND ACCELERATOR PEDALS**. It's yet another user-friendly feature brought to you by Monaco.

WALL LAYERS: (LEFT TO RIGHT)

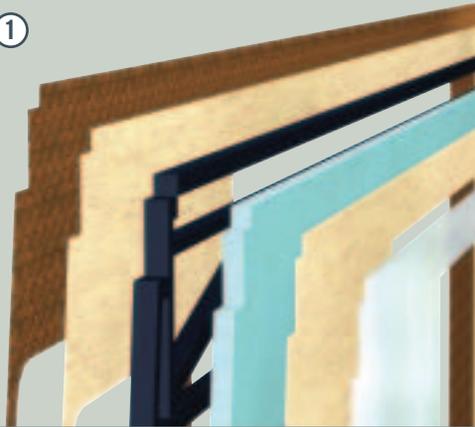

- a. Gel coat fiberglass outer wall
- b. Luaun paneling
- ① c. R 7.5 closed cel foam seals every nook and crevice
- d. Heavy-gauge tubular steel and 4" steel plate backers
- e. Luaun paneling; walls are Vac-u-Bonded together
- f. Decorative wall coverings

ROOF LAYERS: (TOP TO BOTTOM)

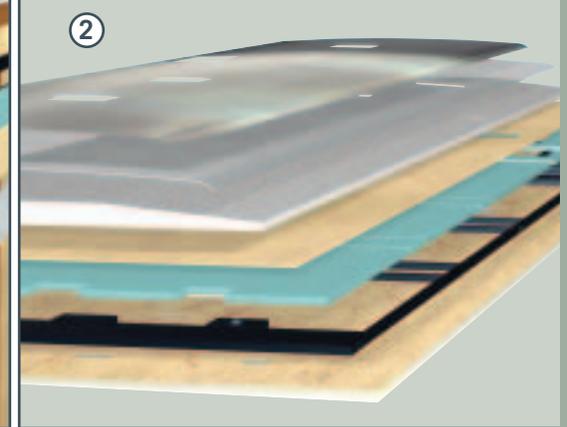

- a. One-piece 1/4" thick fiberglass roof, crowned for water run-off and seamlessly joined with front and rear end caps
- b. Vapor barrier
- c. 3" tapered beadfoam supports the crowned roof; the center tunnel houses wiring and air conditioner ducts
- ② d. Luaun
- e. Foam insulation
- f. Tubular steel framework
- g. Luaun and vinyl paneling are Vac-u-Bonded
- h. Sound-absorbing, easy-to-clean padded vinyl interior headliner

③ All Monaco **SLIDE-OUT** boxes feature an aluminum interlocking design that's both strong and lightweight, with multi-layer construction for superior insulation.

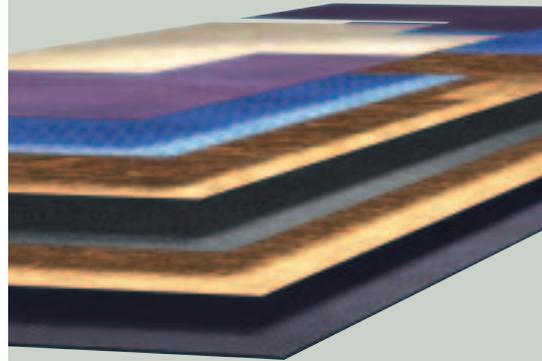

①

②

③

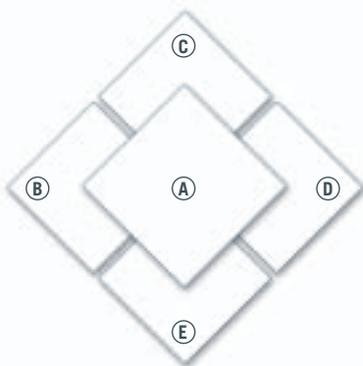

FLOOR CONSTRUCTION: (TOP TO BOTTOM)

- a. 1/2" plywood and tile, or 1/2" carpet pad and carpeting
- b. 5/8" Oriented Strand Board (OSB)
- c. Decibel paper
- d. 5/8" Oriented Strand Board (OSB)
- e. Darco

EXTERIOR COLORS, FABRICS AND WOODS

For 2004, our designers have selected exquisite fabric combinations for each model of The Executive. And adding to the luxury, Monaco is pleased to offer the textures and colors of Ralph Lauren fabrics. Now, it's your turn to choose.

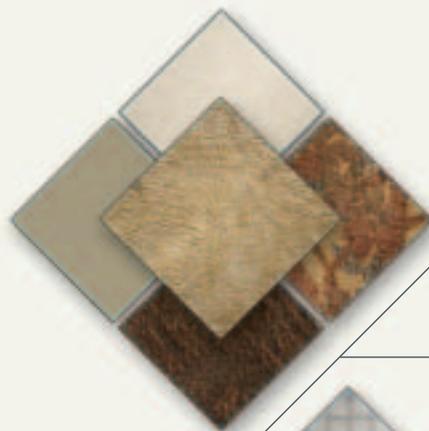

FABRIC SWATCHES

- A. *Sofa*
- B. *Carpet*
- C. *Bedspring*
- D. *Dinette Chairs*
- E. *Accent*

Manufactured in, not added on. 3M Scotchgard™ Carpet Stain Release is applied during the carpet manufacturing process for a higher level of protection. Dupont Teflon® soil repellent is applied to virtually all upholstery fabric during the finishing process for superior coverage.*

*Brand and application of carpet or upholstery fabric protection may vary depending on date recreational vehicle was manufactured.

Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Monaco Coach provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Monaco Coach dealer for unit availability and further information. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed load exceeds 1,000 lbs. The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may show props or decorations that are not standard equipment on Monaco Coach models. Monaco Coach, the Monaco logo and its design, are registered trademarks. All other products and company names are trademarks and/or registered trademarks of their respective holders. While the color of the motorhome's exterior and the interior fabrics depicted in this sales brochure are fair and reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and variances caused by inserting the photographs within the sales brochure. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer prior to submitting your order.

WELCOME TO THE FAMILY.

If you choose to participate in our exclusive clubs and rallies, you'll connect with other Monaco owners from across the country. You'll receive a free one-year membership to a chapter of the Monaco Owners Club, and first-time buyers of The Executive will receive a free one-year membership to the Family Motor Coaching Association.

*As a Monaco owner, you're entitled to a free subscription to our **LIFESTYLES** magazine, giving you all the latest news on our products, club events and exciting destinations.*

Also, as a new Monaco owner, you're entitled to our comprehensive **OWNER ADVANTAGE PROGRAM**. With this impressive roadside assistance package, Master Certified RVDA Technicians and ASE Certified Technicians are on call 24 hours a day to handle any problems you may experience with your coach. And that's not all. Members of our Owner Advantage Program also receive the following benefits: emergency roadside service, fuel delivery, tire change, battery jump start, lockout service, trip routing and maps, and much more.

You can access **MONACOCOACH.COM** night or day to take advantage of its many features. The site includes factory tours, a dealer locator function and plenty of information on Monaco products and scheduled club events. Plus, through the site, you may contact us directly at any time.

THE FAMILY ADVANTAGE.

When you purchase a coach from Monaco, you become part of an industry-leading family of companies called Monaco Coach Corporation. What does that mean for you? It means you have access to a wider array of benefits. To begin with, your coach is built by a level of expertise that could only be achieved through the teamwork and combined experience of all our companies. Like, for example, such exclusive innovations as the Roadmaster chassis — designed specifically for each individual model of our diesel coaches.

You also get the benefit of our White Glove factory inspection program, for a higher level of quality assurance and added peace of mind. And your dealer will be happy to tell you about our other innovative programs, including our Extended Care service agreements.

Of course, once you're on the road, you'll have access to our nationwide network of more than 350 service facilities, meaning wherever you travel, you're never far from a friend. Ready to roll? In a 2004 Monaco, the strength of our entire family is behind you every mile of the way.

WARRANTIES

12 MONTH/24,000 MILE basic limited warranty

5 YEAR/50,000 MILE limited warranty on aluminum or steel frame structure of sidewall, roof, front and rear cap

3 YEAR/36,000 MILE limited warranty on Roadmaster chassis

See owner's manual for complete details.

THE SHINE OF SUCCESS.

It's like a milestone you breeze past without noticing. A turning point where everything changes. Where suddenly, the things you've achieved outnumber the things you've dreamed of. In short, you've arrived. And now that you're here, you can fully appreciate the quality experience of a Monaco coach. As a perfectionist, it's a level of performance and luxury that you recognize instantly. And as a freedom-lover, it's your gateway to endless possibilities. This is the starting point for a whole new journey. Because once you catch a glimpse of yourself in the mirror of a new Monaco, you'll see once and for all just how far you've come.
