

MONACO®

DRIVING YOUR DREAM.

THE
EXECUTIVE®

 | 08

LUXURY. INNOVATION. HAPPY TRAVELERS. IT ALL SAYS MONACO.

Wherever you travel across America, it's easy to spot the Monaco owners. They're the ones with the smug, happy grins on their faces. And who could blame them? When you own a Monaco, you own the best. The best in luxury, performance, safety, technology and comfort. It's all here. And it's all yours for the taking. Come on, freedom lovers. Make your move to Monaco luxury. After all, you already know how to grin.

MONACO®

DRIVING YOUR DREAM.

SMART, FRESH DESIGN.

EXECUTIVE PERKS.

Naturally, with a coach like The Executive, you're going to expect some mighty impressive extras. Consider your expectations met. Here's a quick list of some of the exciting new features for 2008.

- New Cummins® 525 HP ISX engine
- New five-color exterior graphics with integrated fades
- New high-gloss Corian® countertops
- New in-motion digital satellite system
- New 26" LCD TV in the bedroom

JEALOUS NEIGHBORS COME STANDARD.

THE EXECUTIVE® INTERIOR

Who wouldn't want to own a coach like this? Inside and out, The Executive for 2008 is simply jaw-dropping. It starts with a sparkling new exterior — featuring full-body paint with striking new five-color graphics. And it continues indoors, where you'll find new high-gloss Corian® surfaces everywhere. Ceramic tile floors. Recessed ceilings. And sumptuous furnishings like a leather J-lounge with full sleeper tucked inside.

On the Whitney IV shown here, you'll also enjoy kicking back with an enormous 37" LCD TV mounted in the entertainment center. There's even an in-motion digital satellite system. *Standard.* No wonder folks get jealous.

GRACIOUS GALLEY. The Executive offers nothing but high-end appliances for your culinary adventures. There's a recessed, high-output, two-burner cooktop. A versatile convection microwave (ours is stainless steel, of course). And a gigantic new 17 cu. ft. four-door refrigerator with raised panel doors.

CENTRAL VACUUM SYSTEM. This year, to keep your ceramic tile floors looking spotless, we've added a toe kick vacuum to the base of the kitchen pantry. Just sweep up any crumbs, and they're automatically whisked away.

WHITNEY IV | NATURAL CHERRY | RALPH LAUREN BLACK PEARL | RALPH LAUREN BACKSPLASH

WELCOME TO DREAMLAND.

Whether you're slumbering away or watching satellite TV in bed, you'll be in a very comfortable place in The Executive's master suite. The queen bed, featuring a soft pillowtop-hinged mattress, is flanked by Corian®-topped nightstands, as well as his and her light switches for easy access at bedtime. Other amenities include day/night shades with blackouts and designer textured carpeting underfoot.

Want to dream even bigger? Choose luxury options like a ceiling fan, king bed, or select comfort air mattress that lets you dial in the level of lumbar support that's just right for you.

BATHROOM ESSENTIALS. You may not *need* a Corian® shower with accent tile and Corian® shower caddy, but wouldn't it be nice to have one? Other essentials include an integrated sink, tile backsplash, and beautiful ceramic tile floors.

NEW 26" LCD TV. Here's a huge upgrade for all you TV watchers. We've increased the size of the bedroom TV from 20" to 26". Besides being bigger, the picture is also better, thanks to the in-motion digital satellite system. Rather watch a movie? There's a DVD player in the bedroom, as well.

WHITNEY IV | NATURAL CHERRY | RALPH LAUREN BLACK PEARL

You've always reached for the moon. Now there's a coach that shares your bold spirit of adventure. The Executive for 2008. This year, it's more formidable than ever — with a new Cummins® ISX 525 HP engine to power you along.

Just roll down your new driver's side powerwindow, crank up the tunes, and head out for the horizon. This coach is a pure joy to pilot. It features adjustable pedals, a color rear vision system, and a coach monitoring system to help you track vital engine functions, trip data, and maintenance intervals.

SLIDE-OUT TRAY. Tired of twisting and bending to place large items in exterior storage? Your back will thank you for this handy slide-out tray, now standard. It's part of a complete pass-through compartment for maximum storage capacity.

PILOT SEATS. Whether you're driving or parked for the night, you'll love the extremely comfortable pilot seats. Both are heated and feature six-way power with electric lumbar adjustment. Nice. The pilot's seat also comes with an electric sliding seat cushion with memory, while the co-pilot's has a power footrest.

GPS NAVIGATION. Not sure where you're headed? Then it's a good thing GPS navigation comes standard. With GPS, you always know exactly where you are, even when you're in the middle of nowhere.

THE EXECUTIVE®
COCKPIT/EXTERIOR

WHITNEY IV | NATURAL CHERRY | RALPH LAUREN BLACK PEARL

HOUSTON, WE HAVE LIFT-OFF.

ROADMASTER S-SERIES SEMI-MONOCOQUE CHASSIS

1 10,000 lb. hitch receiver offers powerful towing capacity with 7/4-way trailer plug. Pre-wired for supplemental braking system that works with your tow vehicle.

2 The three-point engine mounting system lowers the coach's center of gravity and reduces the amount of vibration that reaches the coach. The mounting also makes the engine easier to service by allowing the engine to be easily lowered through the bottom of the coach.

3 Allison® 4000 MH 6-speed transmission for smooth shifting; our exclusive use of synthetic transmission fluid allows for up to three-year maintenance intervals.

4 Cushion Air Glide suspension system positions ten Bilstein® shocks and ten air bags, eight of which are outboard mounted with auto-leveling for greater stability, a smoother ride and the best handling in its class.

Unique three-degree rear axle tilt perfectly aligns the engine, transmission and differential, minimizing stress on the drivetrain and reducing noise in the coach.

Automatic Traction Control (ATC) eliminates wheel slippage in slick conditions and heightens control.

Tag axle lifts for added maneuverability in tight spots.

5 Basement structure rust inhibitor. To prevent corrosion, the basement storage area is constructed with pre-primed steel with rust-inhibiting paint.

6 Full-length frame rails fabricated from 3" by 8" by 1/4" 60,000 PSI structural steel; rails are spaced 44" on center for a wider stance and unmatched strength.

7 The semi-monocoque design, with trussed superstructure, distributes stress evenly throughout the entire chassis and adds strength to sidewalls and bays.

8 Two-stage Jake brake system assures you of safely traveling steep grades while an anti-locking braking system with front and rear disc brakes (Series 6) helps you maintain control in severe road conditions.

9 P295/80R/22.5 Goodyear steel-belted all-season tires ensure a safe and quiet ride (G670 RV tire).

10 The TRW power steering box allows for a 50-degree front wheel turn angle in both directions for better maneuverability and returns the steering wheel to its center position to eliminate driver fatigue.

11 All chassis are equipped with steel cage construction, steel firewall and steel stepwell for added safety.

MAY WE BUILD YOU A CHASSIS?

Did you know that every Roadmaster chassis is custom designed and built for the Monaco coach that will ride on it? It's a novel idea, but our owners seem to like it. And it pays off — in better performance, safety and reliability. Owners also like the fact that Roadmaster, a division of

Monaco Coach Corporation, only does one thing: They build chassis for motorhomes. Not trucks. Not buses. Just motorhomes. So naturally, they do it better. No wonder Roadmaster is the leading high-end diesel chassis manufacturer in America.

OUTBOARD AIR BAG SUSPENSION

The outboard-mounted air bags are protected by two steel plates and are placed farther apart than the competition, providing a wider and more stable platform for the coach. The active suspension automatically adjusts the pressure of the air bags as you drive and virtually eliminates nosediving and the side-to-side body sway associated with high wind conditions, curvy roads and emergency maneuvers.

CUMMINS® ISX 525 HP

More powerful than ever, The Executive now features a Cummins® ISX-525 HP diesel engine — standard. It delivers all the muscle you'll need for climbing hills or charging into the passing lane.

WARRANTIES

12 MONTH/24,000 MILE basic limited warranty

5 YEAR/50,000 MILE limited warranty on aluminum or steel frame structure of sidewall, roof, front and rear cap

3 YEAR/50,000 MILE limited warranty on Roadmaster chassis

Applies to certain models. See owner's manual for complete details.

8-LAYER ALL-SEASON FOAM INSULATED ROOF:

(top to bottom)

- One-piece 1/4" thick fiberglass roof, crowned for water runoff and seamlessly joined with front and rear end caps; non-skid walkways on outboard areas for added convenience
- Vapor barrier
- 3-1/2" tapered bead foam supports the crowned roof; the center tunnel houses wiring and air conditioner ducts
- 1/4" marine grade plywood sheeting
- Tubular steel framework
- R 7.5 closed cel foam seals every nook and crevice
- Luaun and vinyl paneling are Vac-U-Bonded
- Sound-absorbing, easy-to-clean padded vinyl interior headliner

6-LAYER LAMINATED GEL COAT FIBERGLASS SIDEWALLS:

(left to right)

- Gel coat fiberglass outer wall
- Luaun paneling
- R 7.5 closed cel foam seals every nook and crevice
- Heavy-gauge tubular steel and 4" steel plate backers
- Luaun paneling; walls are Vac-U-Bonded together
- Decorative wall coverings

5-LAYER FLOORING:

(top to bottom)

- Tile, or 1/2" carpet pad and carpeting
- OSB flooring
- Decibel paper
- OSB flooring
- Waterproof Darco underbelly

¹Towing capacity is limited by GCWR; your vehicle's towing capacity is the difference between the GCWR and the actual vehicle weight, including all water, fuel, passengers and cargo. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed vehicle exceeds 1,000 lbs. Consult your owner's manual for further towing information.

²All tank capacities are estimated based upon calculations provided by the tank manufacturers and represent approximate capacities. The actual "usable capacity" may be greater or less than the estimated capacities based upon fabrication and installation of the tanks.

³Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated. Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Monaco Coach provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Monaco Coach dealer for unit availability and further information. The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This

includes the substitution of components of a different brand or trade name which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may show props or decorations that are not standard equipment on Monaco Coach models. Monaco Coach, the Monaco logo and its design, are registered trademarks. All other products and company names are trademarks and/or registered trademarks of their respective holders. While the color of the motorhome's exterior and the interior fabrics depicted in this sales brochure are fair and reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and variances caused by inserting the photographs

within the sales brochure. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer prior to submitting your order. Component part and appliance manufacturers issue limited warranties covering those portions of the recreational vehicle not covered by the Limited Warranties issued by Monaco Coach Corporation. To learn which specific component parts and appliances are excluded from the Limited Warranties issued by Monaco Coach Corporation, please contact your selling dealership or Monaco Coach Corporation directly, or review the warranty packet inside the recreational vehicle.

BEING DIFFERENT MAKES ALL THE DIFFERENCE.

At Monaco, we always strive to be the best. And that means thinking outside the box. Giving you more of what you want in an RV. Like our exclusive Roadmaster chassis. Three factory-owned service centers. And programs like Monaco Financial Services and 24/7 roadside assistance. No other manufacturer can match Monaco's offerings. No one even comes close. Why not discover the difference for yourself? Go Monaco.

“No other manufacturer can match Monaco's offerings. No one even comes close.”
