Monaco...

Ahead of the Curve

SUPREME DRIVING COMFORT

It was just last year that The Diplomat made its auspicious debut. And it immediately started people thinking a new way about diesel motorhomes. With engineering excellence and design extras usually found in more expensive motorhomes, people were asking who created such a vehicle. Few were surprised the name was Monaco. Since that time, the Diplomat has convinced first-time diesel motorhome buyers that the journey from ordinary to extraordinary is well within reach.

EXTERIOR COLOR CHOICES

Chablis

Pacifica

Oak Glen

Laurel Leaf

Smooth gelcoat fiberglass exterior walls and durable undercoating give you years of good looks and a low maintenance exterior.

The information printed in this brochure reflects product design, fabrication and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Diplomat, Monaco Motorhomes, the Monaco logo and its design, are registered trademarks. All other product and company names are trademarks and/or registered trademarks of their respective holders. Due to the large variety of options and floorplan arrangements available to our customers, virtually every coach we manufacture is unique. Actual weights for each unit, therefore, can differ. Monaco provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your Monaco dealer for unit availability and further information.
