SUITE SLIDE

Outsmart the weather. With Monaco's superior insulation and construction, you can enjoy protection from freezing cold, rain or heat.

Large outdoor awnings provide shade and protect your patio furniture from rain, harsh sun and harmful UV rays. And because the Suite Slide extends on the drivers' side, as shown above, your large curbside patio area is free to be enjoyed under it's own full size awning.

EXTERIOR COLOR CHOICES

Northstar

Sandalwood

Mozart

Misty Rose

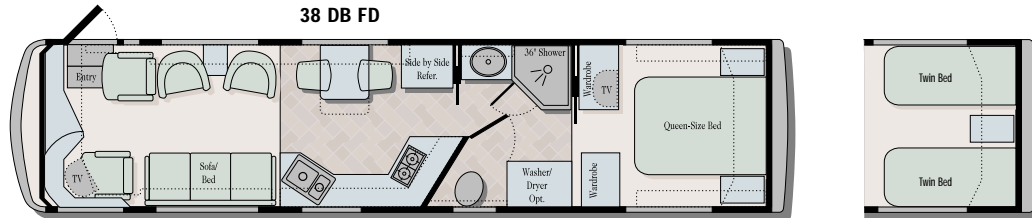

A sweep of new graphics and dramatic color schemes dress up the Executive 2000. Not only beautiful to look at, these painted graphics feature two coats of UV protective clear coat for easy maintenance. This year's models also offer optional acrylic or vinyl front protective masks. Unseen beneath your coach, electrostatically applied paint and rust inhibitors plus undercoating provide years of protection for the chassis, underbelly and exposed components. Three additional Ralph Lauren color exteriors (Cape Cod, Classic and Park Avenue) are available but not shown.

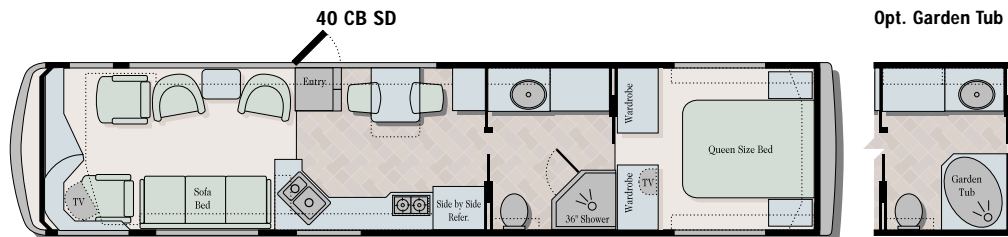

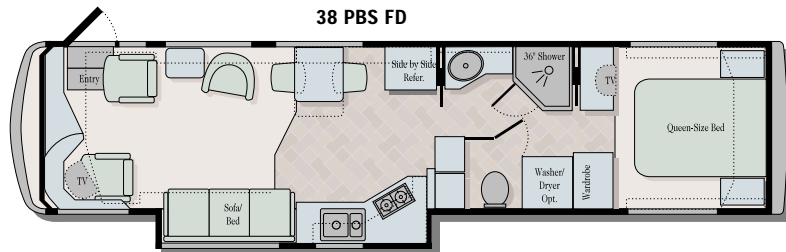

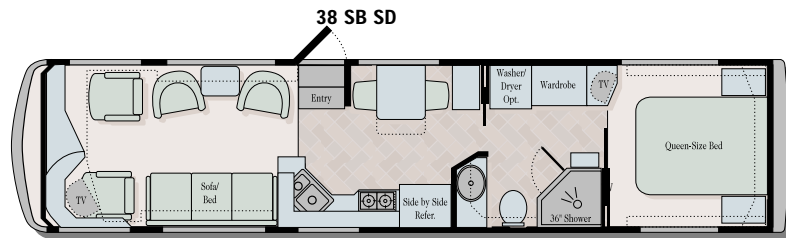

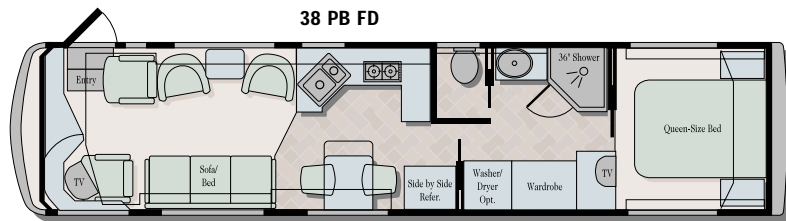

EXECUTIVE 2000 FLOORPLANS

This year's choice of floorplans is designed to enhance your RVing lifestyle. An extensive list of options that offer new furniture arrangements and a variety of furnishings allow you to design your new coach with your own personal touch.

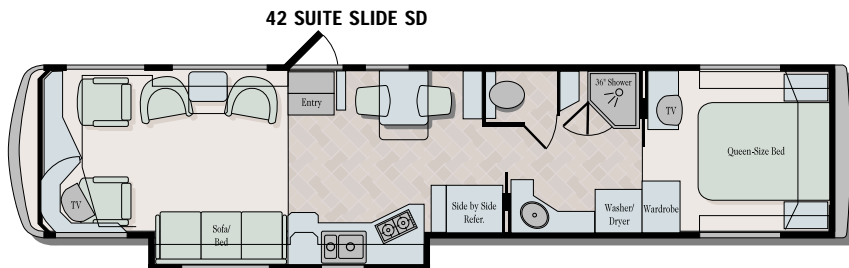

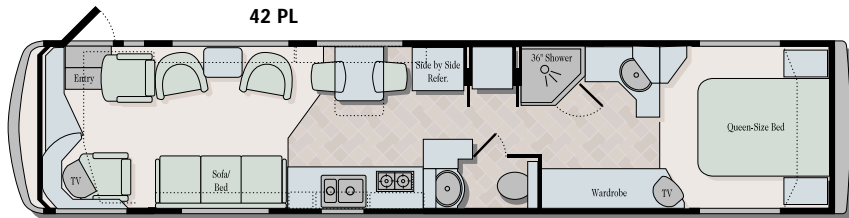

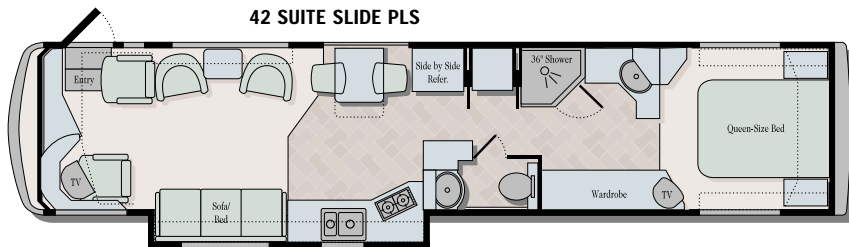

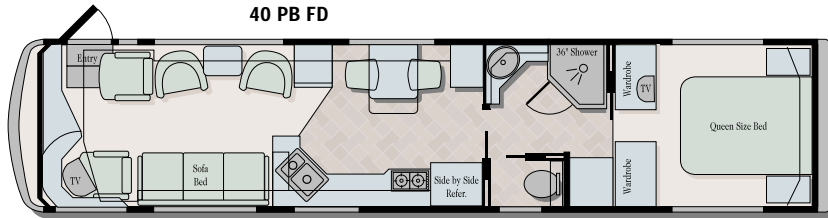

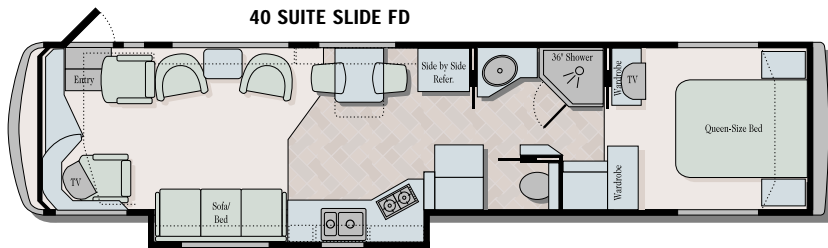

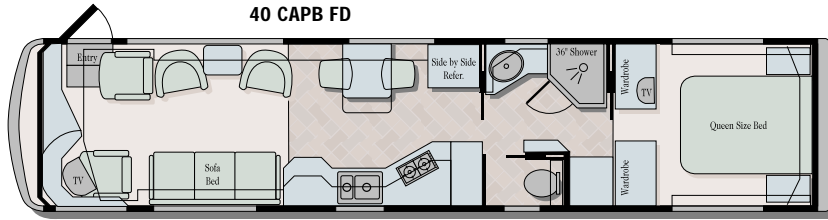

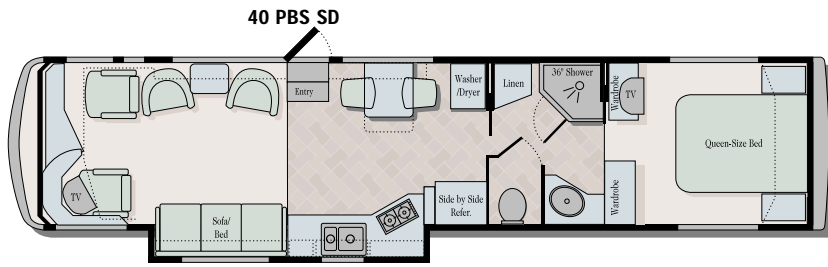

A Side Entry Door is an available option in some floorplans. See your Executive dealer for complete details.

Twin Beds are an available option on all floorplans.

Opt. Garden Tub

Whether you prefer casual, contemporary or traditional styles, the Executive 2000 has a designer fabric selection that's sure to please.
