

MONACO®

DRIVING YOUR DREAM.™

2006 THE EXECUTIVE®

## WELCOME TO THE HEART AND SOUL OF 500 HORSEPOWER.

Chances are, your love for state-of-the-art power and performance led you to open the door of The Executive. And now, its astounding luxury and exquisite styling are sure to pull you inside. Yes, this marvel of high technology is also high on living, and we invite you to take a closer look at the countless details that combine to create this unique home.

A full 6'10" of interior height provides the remarkable spaciousness, which is enhanced by the beautiful recessed ceiling design and halogen lighting. Throughout the coach, Corian® tops, gleaming ceramic tile and solid wood cabinet doors blend with plush fabrics, optional leather furnishings and textured designer carpeting, including the optional sculptured design shown here. Simply put, everywhere you look, our craftsmanship will exceed your every expectation.

- 1 Monaco coaches are legendary for their finishing touches. **Crown molding** adds residential styling in the living area and bedroom, while the decorative hardwood slide-out fascia design features new carved wood columns.
- 2 In the galley, you'll find only top-of-the-line features, including a **stainless steel convection microwave** with many versatile cooking functions. The new **ceramic tile backsplash** design is easily cleaned and is a stylish complement to the **Corian® countertop and integrated sink**.
- 3 A built-in cabinet houses the home theater system with a **DVD/VCR/CD player** — and you'll enjoy it all on the **32" LCD TV** or the optional **37" LCD TV** that lowers from the living room ceiling.
- 4 An exciting new feature throughout the coach is the **Multiplex wiring system**. This allows switch panels like these to be located in the living area, galley and bedroom — giving you control of slide-outs, lighting and more, from wherever it's most convenient. Multiplexing also reduces the amount of wiring that is needed, which makes servicing easier and reduces the overall weight of the coach.

WHEN YOU'RE NOT DRIVING YOUR DREAM,  
WE'LL HELP YOU LIVE IT.

At Monaco, we don't just design better motorhomes — we design better experiences. In the front of the coach, it's all about things like GPS and Aladdin™ systems, automatic traction control, a one-piece windshield and a pilot seat that automatically moves forward when the slide-out's engaged. But here, in the living quarters, it's all about the basics — efficient storage space and plenty of elbow room. Fortunately, you can count on The Executive to give you both.

You'll appreciate the generous cabinet space with lined shelves and satin nickel finished hardware. Nightstands flank the queen bed and feature Corian® tops, and a built-in hamper helps you keep things tidy. We'd also like to point out the new multiplex switches, putting many important controls right at your bedside.

- 
- 1 The **bedroom dresser** offers roomy storage inside large drawers that lock in place when they're closed and operate reliably on heavy-duty, low-friction metal roller guides. Also shown here are the stylish **blackout shades**, for more effective room darkening while napping or in the early morning hours.
  - 2 You'll find plenty of space and sturdy support for hanging clothes in this **oversized rear wardrobe closet**. The mirrored doors also add style and spaciousness to the bedroom.

**WHEN GREAT STYLING PROVIDES BETTER SAFETY AND CONVENIENCE, YOU KNOW YOU'RE ONTO SOMETHING.**

Monaco has a long reputation for being ahead of the curve when it comes to distinctive styling. In fact, we've collaborated with some of the most respected European auto-industry designers. But even more importantly, our forward-looking designs accommodate the very latest advancements in safety and convenience.

Below, you can learn more about the custom entry door, the side-hinged baggage doors and the enormous one-piece windshield. Other safety features include halogen fog lights, daytime running lights and power controlled heated mirrors with turn indicator lights — mounted on the front cap so you don't have to turn your head. For greater convenience and easier servicing, the 10 kW diesel generator is accessed through the front cap on a power slide-out tray. And incomparable strength is provided by the one-piece molded, crowned roof.

- 1 Our new stainless-steel **Super Service Center** is organized to help you keep things tidy and includes a **hot and cold water faucet** and **paper towel dispenser**. You also have the option of the **RV Sani-Con tank drainage system**, which provides greater pumping ability and reduces handling of the hose.
- 2 Thanks to the optional **slide-out trays** (either manual or electric), even larger items in the **pass-through bays** can be easily reached.

Find all the latest product news and updates online: [monacocoach.com](http://monacocoach.com)

### WARRANTIES

**12 month/24,000 mile**  
basic limited warranty

**5 year/50,000 mile**  
limited warranty on aluminum or steel frame structure of sidewall, roof, front and rear cap

**3 year/36,000 mile**  
limited warranty on Roadmaster chassis

Applies to certain models. See owner's manual for complete details.

**A** **BAGGAGE DOORS**

Accessing your cargo is easier than ever with our side-hinged baggage doors under the slide-out houses. The handles are conveniently located in the upper corners of the door, and power locks allow you to quickly and easily secure your belongings.

**B** **ENTRY DOOR**

Our exclusive, custom-built front entry door features a pressurized air seal with dual locking pins to keep out noise and dust, and a removable top screen — giving you a clearer view of the road.

**C** **WINDSHIELD**

The styling of the front cap provides for our enormous one-piece Panaview™ windshield, giving you the largest unobstructed view you'll find anywhere. The wipers are also mounted out of the way and the side window pillars are more slender — giving you a larger panorama.

You'll notice that the models of The Executive are named after some of the most majestic mountain peaks. Along with the power to take on any mountain climb with ease, this distinctive coach is available in a wide range of innovative floorplans — each designed to provide a truly higher standard of living.

**Furniture Options:**

- King Bed (70" x 80")
- Queen Air Mattress with Digital Remote
- King Air Mattress with Digital Remote
- Curbside: Leather Sleeper J-Lounge with Drawer
- King Air Mattress with Digital Remote

When you think Monaco, you think impeccable styling. And 2006 is no exception. No matter where your tastes lie — from traditional to contemporary, conservative to bold — we give you more ways to turn your motorhome into your dream home.

**Better Stain Protection**  
 Manufactured in, not added on. For added protection against stains, Dupont Teflon® soil repellent is applied to virtually all upholstery fabric during the finishing process for superior coverage.\*

\* Brand and application of upholstery fabric protection may vary depending on date recreational vehicle was manufactured.

- 1 Towing capacity is limited by GCWR; your vehicle's towing capacity is the difference between the GCWR and the actual vehicle weight, including all water, fuel, passengers and cargo. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed vehicle exceeds 1,000 lbs. Consult your owner's manual for further towing information.
- 2 All tank capacities are estimated based upon calculations provided by the tank manufacturers and represent approximate capacities. The actual "usable capacity" may be greater or less than the estimated capacities based upon fabrication and installation of the tanks.
- 3 Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated. Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Monaco Coach provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Monaco Coach dealer for unit availability and further information. The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may show props or decorations that are not standard equipment on Monaco Coach models. Monaco Coach, the Monaco logo and its design, are registered trademarks. All other products and company names are trademarks and/or registered trademarks of their respective holders. While the color of the motorhome's exterior and the interior fabrics depicted in this sales brochure are fair and reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and variances caused by inserting the photographs within the sales brochure. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer prior to submitting your order. Component part and appliance manufacturers issue limited warranties covering those portions of the recreational vehicle not covered by the Limited Warranties issued by Monaco Coach Corporation. To learn which specific component parts and appliances are excluded from the Limited Warranties issued by Monaco Coach Corporation, please contact your selling dealership or Monaco Coach Corporation directly, or review the warranty packet inside the recreational vehicle.

**THERE'S STRENGTH IN OUR NUMBERS.**

As you consider your RV purchase, there's one thing we'd like you to keep in mind: Nobody does customer service like Monaco. Period. Our staff is available 24/7/365 to help you with virtually any situation that may arise — with troubleshooting, operational instruction or facilitating repairs at the nearest of our 350 nationwide service centers. In addition, you'll be enrolled in our Owner Advantage Roadside Assistance Program free of charge for your first year of ownership — providing additional emergency assistance, including towing, tire repairs and many more services around the clock. In short, when you purchase an RV from Monaco Coach Corporation, you get a wider array of benefits than any other manufacturer can offer. To see it all for yourself, call 1-800-634-0855 or 1-800-650-7337 to arrange a tour of one of our state-of-the-art production facilities in Oregon or Indiana.
