COMMAND THE ROAD

2017 DIPLOMAT

M O N A C O
BORN TO LEAD

A leader by design, the 2017 Monaco Diplomat is a power broker among luxury motor coaches. Thanks to impeccable forethought, the Diplomat anticipates every need, while a custom-tuned Roadmaster Chassis delivers unbridled power for those who yearn to command the road. There’s a reason we call it the Diplomat ... some leaders simply have more influence on life.
Your comfort should never be negotiated, so at Monaco Coach, only the finest luxuries suffice, starting with the Diplomat galley — a blend of sophistication and convenience. Solid-surface countertops and handcrafted hardwood cabinetry set the tone for elegance, while a countertop extension, adjustable shelves, induction cooktop and premium appliances bring out the Executive Chef in even the most amateur. Dining in has never felt this exclusive.
Monaco Coach has commanded the luxury market for five decades. With this legacy of luxury comes a level of refinement that few can emulate. In short, we consider every coach an owner-influenced work of art. From handpicked fabrics to handcrafted cabinetry, and decorative crown molding to elegant porcelain tile, the Diplomat presents timeless style certain to win over your guests.
Naturally, the Diplomat — Monaco Coach’s power broker — is dressed to impress. Rich leathers and warm tones embody the Manhattan Bronze décor, while Vapor Mist’s palette of grays creates modern sophistication.
STANDARDS AND OPTIONS

INTERIOR

INTERIOR GENERAL AMENITIES
- 12V LED Ceiling & Task Lighting
- 84” Interior Ceiling Height
- Adjustable Shelves Throughout
- Central Vacuum System
- Complete PEX Plumbing System
- Countertop Decorative Edge Treatment

- Water Pump Switch (Multiple Locations)
- Waste Management Pump w/Power Water Hose Reel
- Whole Coach Water Filtration System
DISCLAIMER

1. **GVWR (Gross Vehicle Weight Rating)** is the maximum permissible weight of this fully loaded motorhome. The GVWR is equal to or greater than the sum of the (UVW) unloaded vehicle weight plus the (OCCC) occupant cargo-carrying capacity*.

2. **GAWR (Gross Axle Weight Rating)** is the maximum permissible loaded weight a specific axle is designed to carry.

3. **GCWR (Gross Combined Weight Rating)** is the value specified by the motorhome manufacturer as the maximum allowable loaded weight of this motorhome with its towed vehicle. Towing and braking capacities may be different. Refer to Monaco and chassis manufacturer’s manuals for complete information.

4. Length measured from front bumper to rear bumper (excludes accessories).

5. Excludes safety equipment and awnings.

6. Motorhomes feature a body width over 96” which will restrict your access to certain roads. Before purchasing, you should research any state and/or province road laws which may affect your usage.

7. Tank manufacturer’s listed water capacity (WC). Actual propane capacity is 80% of water listing as required by the safety code.

† The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependent on the weight of the towed load. Consult with hitch receiver manufacturer for further information.

†† The Minimum Towable Load of this vehicle is the available weight capacity, up to GCWR, when the coach is fully loaded to maximum GVWR. However, if the coach is loaded to something less than maximum GVWR, that extra available weight capacity can be added to your Towable Load. For example, if your coach is loaded to 1000lbs less than maximum GVWR, your Towable Load increases accordingly. Do not exceed the hitch rating weight, GVWR or GCWR.

* **UVW and OCCC** are found on the label containing the federal certification tag in each RV.

** All 2017 REV Recreation Group motorhomes include a limited one-year/15,000-mile coach warranty and three-year/45,000-mile structural warranty, whichever occurs first, and is fully transferable for the first 12 months.

IMPORTANT—PLEASE READ

Product information, photography and illustrations included in this publication were as accurate as possible at the time of printing. For further product information and changes, please visit our website at www.monacocoach.com or contact your local Monaco dealer.

Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. Monaco has designed its recreational vehicles to provide a variety of uses for customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e., occupants, equipment, fluids, cargo, etc.) to ensure that the vehicle’s capacities are not exceeded.

SERVICE AND SUPPORT:

24/7 service and support – Toll-free 877-211-8135

ELITE CUSTOMER CARE  At Monaco Coach, the road is our bloodline, and because it’s yours to rule, we’ve never once lost sight of customer care.
